

# UConn Polymer Program Virtual Open Houses for prospective students

Teams [LINK](#)

or QR code

**Dec. 11, 9:00 am EST** (Eastern Standard Time)

*For planning, RSVP: [osker@uconn.edu](mailto:osker@uconn.edu)*

## Research of UConn Polymer Program

- Advanced Polymer Synthesis
- Functional Polymeric Materials
- Biomaterials & Biomimetic Polymers
- Energy Materials
- Polymer Processing and Multiscale Simulations
- Molecular Dynamic Simulations
- Polymer Mechanical Properties
- Structure-Function Relationship
- Polymers with Well-Defined Nanostructures
- Nanocomposites
- Polymeric/Metal Nanoparticles
